Sorry for being late upload & thanks.. Ivy Zhou  
We could not change VGA chip for a long time, because there are some problems in our machine. while facing problem in my machine ,I knocked them (Shenzhen Wisdomshow-WDS Technology Co.ltd) over the We Chat . They fixed up the problem & gave me the solution through online. I tried it as per their guidance & it worked. Now we can replace all kind of VGA chip.. Wisdomshow-WDS you guys are amazing.. 😊

C'est une excellente machine, j'ai lu qu'on pouvait mettre une micro SD avec des données, avez-vous une avec des données pour des pc et smartphones Apple ?
