WDS700 7600W Power BGA Rework Station with High Sensitive Touch Screen and Precision Optical Alignment

Our Product Introduction

for more products please visit us on bgaxraymachine.com

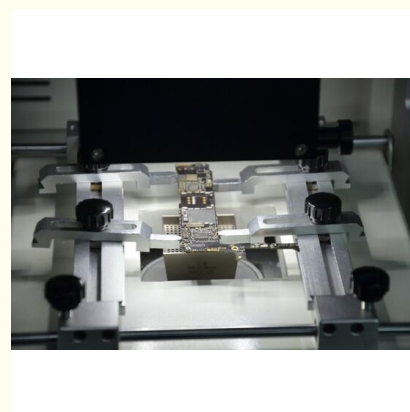

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: Wisdomshow
- Minimum Order Quantity: 1
- Price: CN¥42,076.04-50,380.52

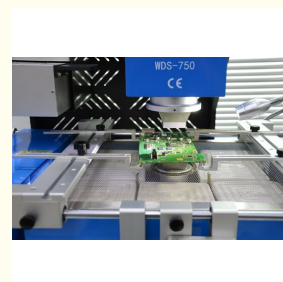

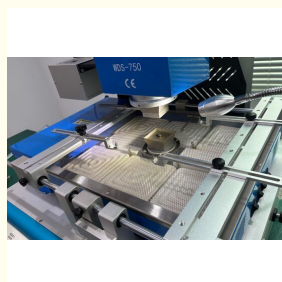

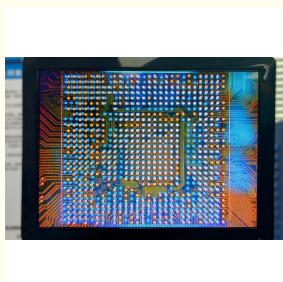

Product Specification

- Max Input Power: 7600W
- Rated Capacity: 7600W
- Voltage: 110V/220V
- Dimensions: L750*W835*H880mm
- Weight: 80kg
- Upper Heating Power: 1600W
- Lower Heating Power: 1600W
- PCB Size: Max:570*1480mm, Min:5*5mm
- BGA Chip Size: Max:120*120mm, Min:0.8*0.8mm
- Total Power: 2500W
- Applicable PCB: Max:140*160mm, Min:5*5mm
- Applicable IC: Max:80*80mm, Min:1*1mm
- Power Supply: AC220V, 50Hz
- Temperature Control: ± 1
- Alignment Accuracy: ± 0.01 mm

Product Description

WDS-700 Cell Phone Motherboard Repairing Machine

Professional BGA rework station with original factory pricing for precise mobile phone motherboard repair operations.

Key Features & Specifications

Advanced Features

- Automatic soldering, desoldering and mounting without joystick control
- High resolution optical alignment system with HD camera and 3-axis micro-adjustment
- Multiple nozzle sizes available with customization options
- Dual temperature zone control with independent upper and lower hot air heating
- Powerful cross-flow system with external temperature sensor socket
- High sensitivity touch screen with Panasonic PLC control
- Alarm function and dual over-temperature protection
- CE and ISO9001 certified

Technical Parameters

Total Power	2500W
-------------	-------

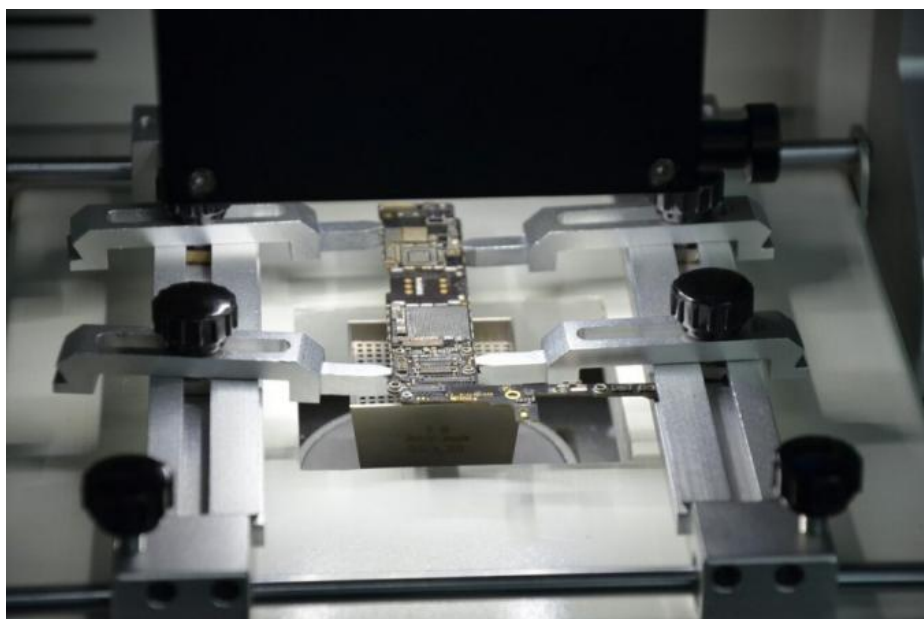

Upper Heating Power	1200W
Lower Heating Power	1200W
Model Number	WDS-700 rework iphone bga chip
Overall Dimension	L450*W470*H670mm
Applicable PCB	Max 140*160mm / Min 5*5mm
Applicable IC	Max 80*80mm / Min 1*1mm
Power Supply	AC220V, 50Hz
Weight	40kg
Electric Material	High sensitivity temperature control module, Delta PLC, Taiwan-made touch screen
Locating Mode	V-shape card slot with adjustable X&Y axis universal jigs

Premium Components

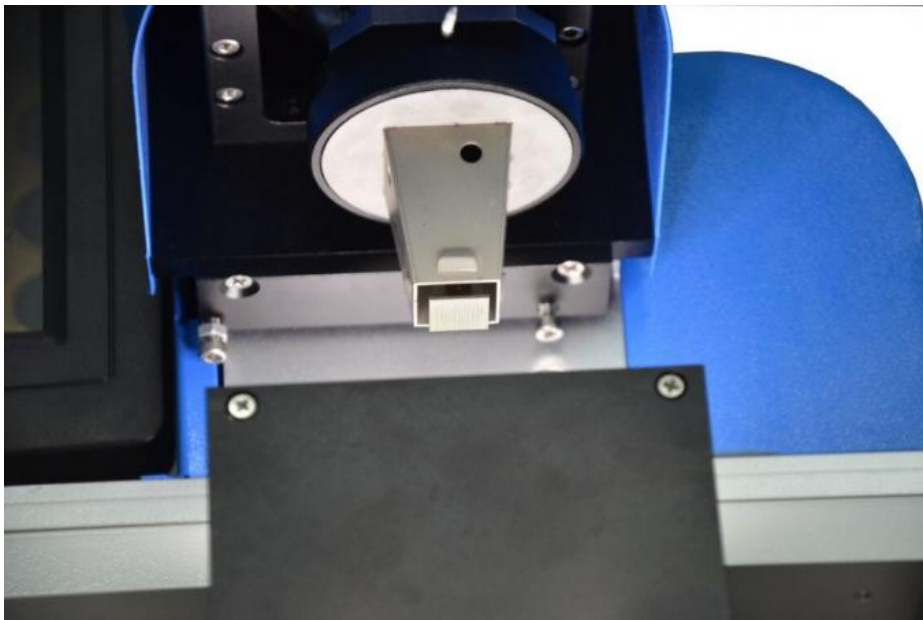

High Sensitivity Touch Screen - Supports both automatic and manual operation modes

Robust Plate & Flexible Universal Jigs - Includes 6 pieces for various applications

Micrometer Angle Adjustment - Micro-adjust for precise alignment

Ergonomic Design & Multi-functional Controls - Joystick, K-sensor, PCB, and BGA light adjustment

Advanced System Capabilities

Updated Operating System

Latest WDS-700 features 5 operational modes: Remove, Mount, Weld, Manual, and Semi-auto with flexible mode switching.

Precision Temperature Control

- Independent dual heating zone control with $\pm 1^\circ\text{C}$ precision
- Simultaneous top and bottom heating with 8-segment independent temperature control
- Hot air distribution for BGA and PCB with flexible zone combination
- High precision K-type thermocouple closed-loop control with PID self-setting
- Real-time temperature curve analysis with multi-group data storage

Optical Alignment System

High-definition adjustable CCD color optical system with beam split, amplification, auto focus, and automatic color/brightness adjustment on 15" HD LCD monitor.

Humanized Operation

- HD touch human-machine interface
- 2-in-1 upper heating and mounting head design
- 360-degree rotatable titanium alloy BGA nozzles
- X, Y, and R angle micrometer fine-tuning with $\pm 0.01\text{mm}$ precision

Safety Protection

Automatic alarm upon completion, circuit auto-power-off during temperature abuse, dual over-temperature protection, and password-protected temperature parameters.

Packaging & Shipping

Standard export wooden packaging for BGA rework station
 Delivery within 2 working days after payment confirmation
 Shipping via TNT, UPS, DHL, FEDEX (IE), Aramex, air or sea
 Loading port: Shenzhen or Hong Kong

Why Choose WDS?

Direct manufacturer providing best quality, service, and pricing
 100% new from WDS factory
 Over 20 R&D engineers with 10 years experience
 Over 100,000 global users
 CE ISO9001 certified models
 100% quality control inspection before shipment
 High quality with competitive pricing

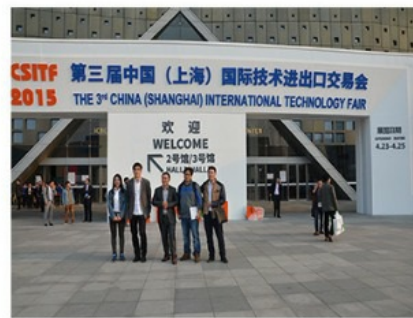

WDS Manufacturer of BGA rework station

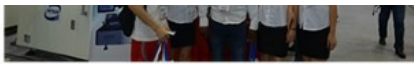

Shenzhen Wisdomshow Technology Co.,Ltd.

1. Wisdomshow regards well-educated workers as a main drive to our development. A strong R&D team supports a dynamic workforce of over thirty people.
2. A well established sales network and after-sale services have been built which reward us a strong reputation among high profile customers both at home and abroad.
3. We promise to provide perfect product and service for the customer. We have applied the appearance patent for our products and get through the CE and ISO.
4. we have good market in Korea, Japan, North Africa, Vietnam, Brazil, Turkey, India, Mexico and Southeast Asia, The Mid-East and European countries.
5. We supply 3 years warranty for this BGA rework station, in the first year, offer spare parts for free, the other 2 years, only charge fees for spare parts, technical support is always available.

Dear Waiting for you,we are always be here...

Customer Feedback

Some of Customer's Feedback:

1. Hi mate, your high performance machine is so competitive in my country, this let me make much profit, my customers are really like it. cooperate with you is so wonderful! thank you! -----Richard---Turkey

2. i have received my products, your packing is do discreet and perfect, it really amazed me. i will order more from you as soon as possible. thanks a lot. -----Robet--Australia

3. i have cooperated with you for many times, your product quality is so great, that is why i still buy the products from you. thank you. -----Corentin ---Brazil

Jere	WDS-650 Best Price IR 2700W Bga Rep...	★★★★★ 28 Nov 2014 04:03
	US \$4,800.00 x 1 piece	Un excellent revendeur! Machine de très bonne qualité La machine est venu rapidement Nous avons eu des difficultés à faire quelque petite chose avec cette machine mais My Zhou nous a beaucoup aider, c'est une personne genial bravo pour votre bon boulo Nous vous aimons

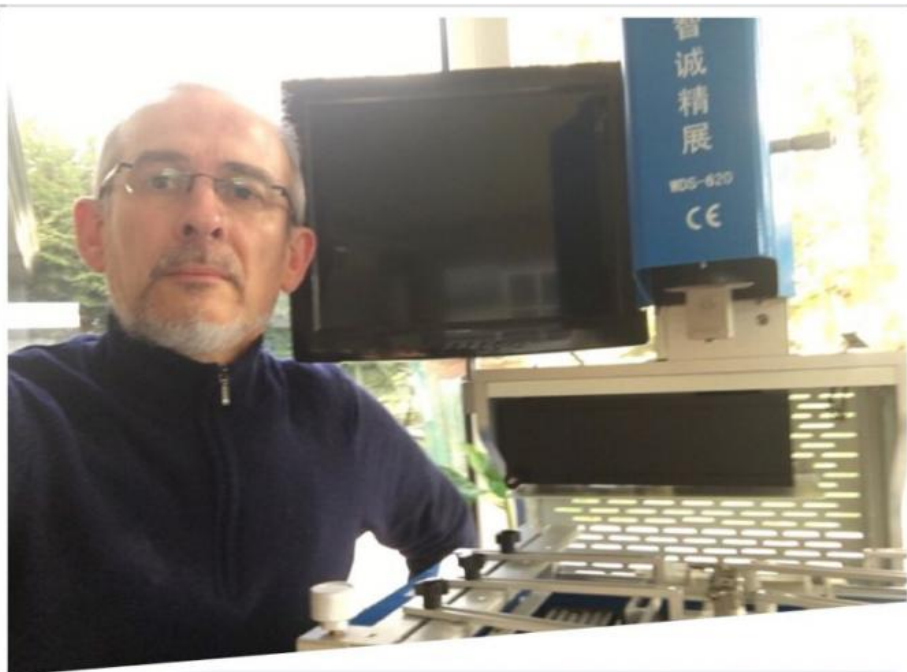

How about the WDS-700
bga machine ?

Very well and you Thank
you for the machine I am
doing very good works.

Good, glad to hear that and
thanks for your support. We
will still be your best service

C'est une excellente machine, j'ai lu qu'on pouvait mettre une micro SD avec des données, avez-vous une avec des données pour des pc et smartphones Apple ?

Hello Amit, how are you ? about one years passed, if you remember me ? Ahaha, for the machine WDS-620 supplier. 😊

yes
whats new

Are you still working today ?

yes

May I know how about the use of WDS-620 ?
Is it a good helper for your company ?

we used it its working fine

Good ,glad to here that . Any end of last year, we have 1

Any works done ?

,many works since a got machine 😊

Ahaha, More customer,
More business,More
money, and then you could
buy a new car 😊

How about the WDS-4860
bga machine ?

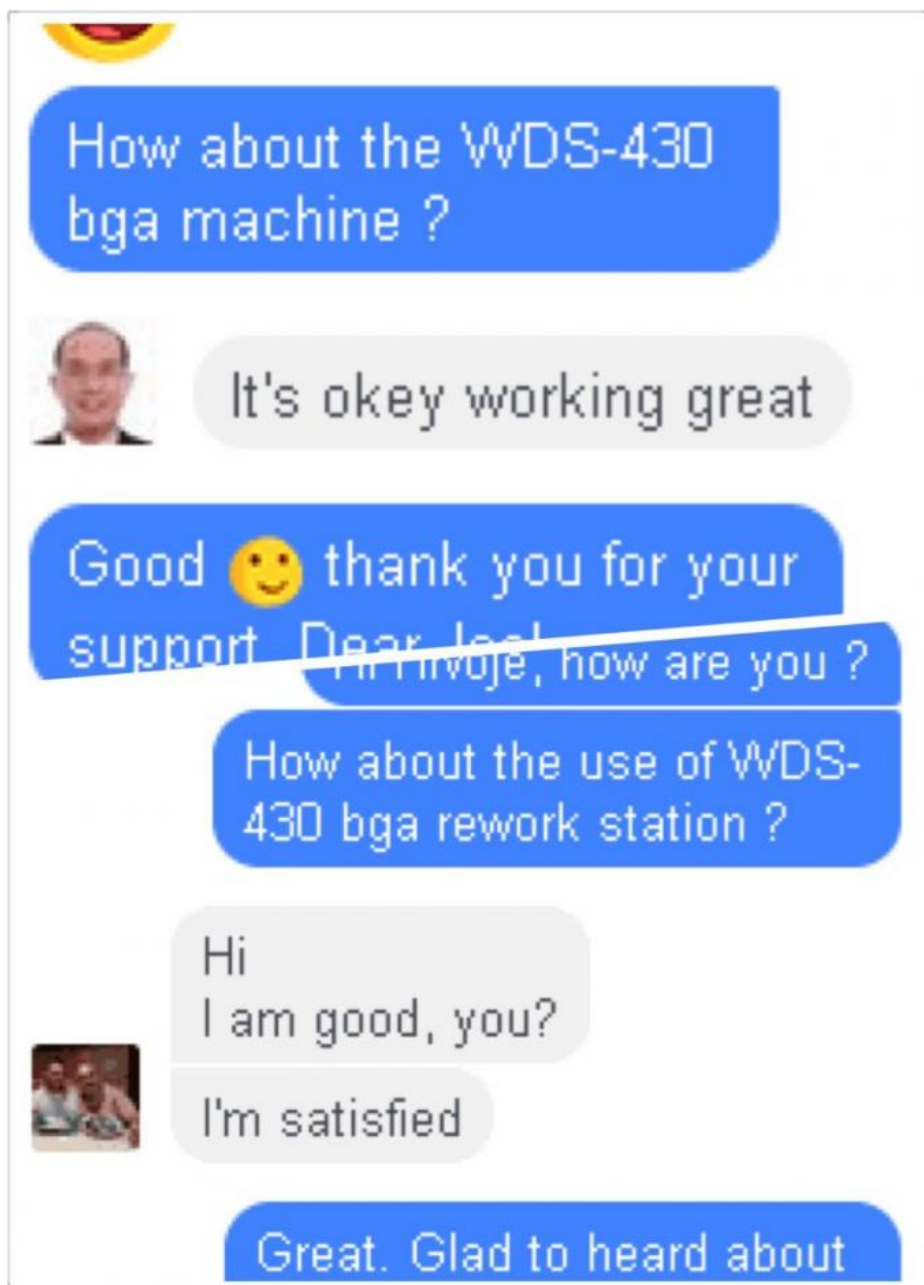

buy a new car 😊

How about the WDS-4860
bga machine ?

,next year i buy another
machine to you,, i upgrade
to semi automatic,, pick
and place machine

,WDS-4860 is good,, i got
already the money i spend
for it 😊

Frequently Asked Questions

Delivery Time & Methods

Delivery times vary by shipping method: DHL/Fedex/UPS (3-7 days), Air freight (3-5 days), Sea freight (30 days).

Packaging Safety

All machines are packed in standard strong wooden boxes with internal foam to ensure shipping safety.

Warranty & Support

1-year warranty for spare parts with lifetime technical support from our professional after-sales team.

Operation & Training

English user manual provided with language customization available. Demo operation videos and on-site training available.

Payment Options

Bank transfer, Western Union, Moneygram, Paypal, Alibaba Pay, Aliexpress Pay, and Credit Card payments accepted.
